Mr. James Webb, Administrator  
National Aeronautics and Space  
Administration  
Washington 25, D. C.

Dear Mr. Webb:

Some time ago, I felt the need for an aide memoire on the Soviet space program and asked the Office of Scientific Intelligence here at CIA to prepare a Soviet Space Log. The attached Handbook is the result and will be brought up to date from time to time. I thought that you might like to have an advance copy.

Sincerely,
